

Notice to LS8 owners whose  
aircraft is not built or sold by  
DG-Flugzeugbau GmbH

18.08.2016

As you are aware, DG Flugzeugbau covers cost and efforts for type support via an annual Service Contract.

LS8 owners, who have a valid Service Contract will receive all necessary documents by e-mail during the next days. This also includes a new Repair Manual.

In case you haven't received such e-mail until the end of August, please inform us and you will get your package of documents as quickly as possible.

The new Repair Manual is also mandatory for owners of DG Flugzeugbau built LS8. Such owners will get the Repair Manual free of charge within the next days as well. All other documents can be downloaded on our DG Flugzeugbau webpage.

Kind Regards  
DG Flugzeugbau GmbH

Note: The above mentioned procedure also applies for the new combined LS8 flight manual issued June 2016 for the Variants LS8, LS8-a, LS8-b, LS8-18
